

No.	Institution	Date of Letter	Nature of Complaint	Pertinent Information from Representative Letters (400-500 letters to Nelson Mullins for 10 years)	Excerpts from Letters
1	Broad River	8/20/2018	C.O. Issues	Cell has a broken toilet and sink, and no cell lights; C/Os won't allow maintenance in the cell to fix it; he is unable to go to the law library and missed a court deadline; they do not allow him to go to medical for blood pressure checks; C/Os tell other inmates that he's a snitch	
2	Broad River	7/23/2018	C.O. Issues Medical - Mental Health	Placed on C.I. for eight days - not placed on CSU or sent to GPH; denied dinner because he flooded his cell; wasn't given basic necessities for approx a week	
3	Broad River	7/00/2018	C.O. Issues Safety & Security	Has been harassed since she found out he was transgender; she doesn't protect him from other inmates; he has been sexually assaulted; sprayed with chemicals; he is a level 2 inmate at a level 3 facility; requested PC but it was denied	
4	Evans	6/11/2018	C.O. Issues Safety & Security	Currently on statewide protective custody; initially at Kirkland - taken off meds until he was seen by a Dr.; held w/o food and slit wrists to go to CI transferred to other facilities; beaten and stomped in the head - required trip to hospital; held 10 days w/o shower, phone, etc.; was asked for gang members names, was worried about his safety (freaked out) and ended up in CI; transferred again for higher level of medical care; harassed by inmates who knew other inmates; moved to different dorms; went to get meds and refused to return to cell; been in lock-up since January; guard harassed him "knew he was running from inmates"	
5	Kirkland	6/11/2018	C.O. Issues	Inmates (working at GPH) are selling food trays to mental health inmates; food on the purchased trays have more food portions than regular trays; trays sold for canteen items or money	
6	Lee	7/2/2018	C.O. Issues Safety & Security	Been here for 10 months and during stay the officers and staff allow gang members to control the dorm and punish inmates; favoritism is shown to gang members by the staff; staff has violated privacy and it is difficult to communicate concerns through proper channels	
7	Lee	7/18/2018	C.O. Issues Safety & Security	Prison staff have not taken any measures to protect inmates from assaults by other inmates; there is one C/O for about 200 inmates; C/Os turn their heads and allow gang members to run the prison; there is a statewide lock-down but gang members at Lee CI are allowed to come out of their cells; cannot alert the staff directly due to how much control the gangs have over the staff	". . .C/O opened door/cell of inmate for shower and walked off leaving inmate unguarded and 5 inmates beat him for 10 mins. . ." ". . .gang members control every thing in the unit/dorm. . ."

8	Lee	7/22/2018	C.O. Issues Safety & Security	Received meds in person this week instead of under the door; inmates here are afraid of speaking out and the retaliation; C/O Scott allows Blood gang members to control the unit, 'no one is allowed to disrespect her or speak out against her; these gang members carry knives in the unit and tell inmates when to shower and how long they can shower	"...won a battle - a battle to just be treated like a human" "I hope that in your attempt to help the mentally ill inmates you also make a issue of safety for all the inmates"
9	Lee	6/10/2018	C.O. Issues Safety & Security Medical - Mental Health	Staff members are not obeying Judge Baxley's orders re mental health inmates; many mental health inmates are getting sprayed with mace	
10	Lieber	7/2/2018	C.O. Issues Safety & Security	Ofc Anthony Brawley has threatened his life and told several inmates he would pay them; he fears for his life	
11	Lieber	8/12/2018	C.O. Issues Lockdown Medical Safety & Security	Attacked in his cell by three inmates; C/Os were outside down of the unit; he was able to call a friend when they asked for money, he told her what was happening, she called Broad River and reported what was happening - there was no follow-up; he was beaten, stabbed; transferred to Lee where doors were broken and there was no security - saw at least 20 stabbings and a few homicides He was placed on RHU for investigation for 90 days; involved in an incident with a C/O, was sprayed while his cell door was locked Transferred to Lieber and on lockdown - only getting 1 shower per week	"The dorm (F-5) had no security at all, never at any time was a officer on the wing" "I was never safe there. . "
12	MacDougall	6/11/2018	C.O. Issues Safety & Security	Locker was searched by four staff members; first and second search turned up no contraband but third search, charged him with possession of contraband that was planted by officer; now on "dorm confinement"; feels like he is being targeted for transfer or murder	
13	McCormick	7/24/2018	C.O. Issues Medical	Reinjured in incident with C/Os; sprayed with excessive amount of MK-9; requested sick-call and no response; only given Tylenol and Ibuprofen which isn't helping the chronic pain; believes it is retaliation for filing grievance	
14	McCormick	7/30/2018	C.O. Issues Safety & Security	Previously had problems with Blood and Crip gang members; C/Os were aware of issues; gang members were calling his girlfriend asking for money or he would be killed Transferred to McCormick - continued issues with gang members; reported to C/Os who made gang members aware of his complaints

15	Lee	6/21/2018	Lockdown	Dorms 1 and 3 are still on lockdown; Dir Stirling comes to Lee every 10-12 days; gang members transferred to prisons in other states; getting psych meds kicked under the door; HQ running Lee - the warden doesn't have a say	"We are still lucky to get 2 showers a week. . ."
16	Lee	6/14/2018	Lockdown Safety & Security	Not able to be seen for mental health due to lockdown; gang members tell the inmates what to do	"Gang members are able to talk to mental health and participate with the classes. . .they run everything here. . . (they) control the staff with fear"
17	McCormick	8/21/2018	Lockdown	Been on lockdown since 04/15/2018 - no sun light, no sick call for medical problems; affecting his mental health	"Please help if you can, this is really messing with my mental health"
18	McCormick	5/27/2018	Lockdown Medical	Moved to the mental health dorm while on lockdown; doesn't know why he was transferred Requested to see mental health counselor 3x - haven't seen her	". . .here you might get two showers a week. . ."
19	Lieber	7/22/2018	Lockdown Medical - Mental Health	Some mental health inmates are behind doors 24/7 and only get 1 shower per week; has to write the Warden to go to the law library; unable to get outside for recreational therapy; always running out of mental health meds	
20	McCormick	6/24/2018	Lockdown Medical - Mental Health	Inmates have been on lock-down since the riot on 04/15, they are allowed 2 showers a week and there is no sick call or mental health counseling	
21	McCormick	7/1/2018	Lockdown Medical - Mental Health	Still on lockdown and after July 4th they are going to let inmates out by tier; they have all of the windows barricaded; still unable to see MH counselors - have to threaten suicide to see counselors; can't get outside and get fresh air; only come out 2x per week for showers	
22	Turbeville	6/7/2018	Lockdown Medical - Mental Health	Judge's orders are not honored at Turbeville; locked in cell for months at a time; allowed two showers in sixty days; Jan-Mar only allowed three showers; went on CI three times b/c of living conditions; no supplies to clean our cell/toilet/sink; haven't been on rec field in over a year	". . .makes my mental health state a lot worse. . ."
23	Turbeville	7/31/2018	Lockdown Medical - Mental Health	Seen a great difference in the last three years being on antipsychotic meds but the lockdown has caused a lot of problems; having a lot of hallucinations and doesn't know what is real

24	Perry	9/10/2018	Lockdown Medical - Mental Health Safety & Security	Steel plate covers over the windows of cells; when he thinks things can't get worse the prison officials prove him wrong; SCDC turning entire prison system into giant supermax; staffing shortages in prisons; change in prison uniform colors from tan to orange with INMATE on the front and back; believes extreme measures SCDC is implementing are a violation of the mental health lawsuit settlement agreement	"...they have converted my little room into a windowless dungeon. . ." "I've been incarcerated for a long time . . .over the years the prison system here in SC become steadily more punitive, more harsh and degrading."
25	Lee	7/25/2018	Medical	Signed up for medical sick call and denied treatment; believes to have a broken rib and hasn't been seen by a Dr. or had an x-ray	
26	Kirkland	7/5/2018	Medical	Had problems with eyes for over a month; can't see other men very well; seen nurses/officers and told he's on the list for Dr.; nurse said I'd see Dr. today but I didn't	"Someone could get me and I won't even see and they don't like me here. . ."
27	Kirkland	8/20/2018	Medical	Hasn't received eye drops or seen specialist; eyesight is deteriorating; may be seeing the specialist on 08/17	"I got legal problems and I can't see to handle them. . ."
28	Broad River	6/12/2018	Medical Transfer	Suffered several complications after a colonoscopy; sent in three sick call requests and two requests to the Dr. - was never seen or treated; everything has changed for him since riot	"... been removed from an institution and a unit (mental health) where finally found a level of comfort and had been able to be myself. . .and not be harassed or bothered. . ."
29	Allendale	8/1/2018	Medical - Mental Health	Concerned about the psychological toll the solitary confinement has caused; windows are painted so he can't see outside and doesn't go outside for "recreation" because the dog-like kennel cages are depressing/not too much bigger than his cell	
30	Broad River	6/27/2018	Medical - Mental Health	Nothing has changed - it's worse here with mental health and medical issues	
31	Evans	7/23/2018	Medical - Mental Health	Not able to talk to the mental health counselor; I have been out of my medication for 8 days	
32	Kershaw	6/1/2018	Medical - Mental Health	Transferred to Kershaw from Kirkland; thinks it is retaliation for filing complaint re HL BMU; program is not adequate and they show favoritism	
33	Kershaw	7/29/2018	Medical - Mental Health	Being ignored by staff members and mental health and being denying treatment for current issues (hearing voices to kill himself and others)	
34	Kirkland	7/26/2018	Medical - Mental Health	Everyone is scared to say what's going on: there is inadequate medical care, can't receive law books, no responses to grievances, or access to Westlaw. Computer is in a Dr.'s office and impossible to get to. The Qualified Mental Health Professionals don't do rounds	

No.	Institution	Date of Letter	Nature of Complaint	Pertinent Information from Representative Letters (400-500 letters to Nelson Mullins for 10 years)	Excerpts from Letters
35	McCormick	5/31/2018	Medical - Mental Health Medical	Only seen a mental health counselor a few times in two years; went to sick-call for diabetic neuropathy pain and several requests to a Dr. - denied every time; placed in lock-up w/o being told why; no toilet paper for 7 days; tried to commit suicide - excessive force when sprayed in face with MK-9 and six officers holding down	
36	Allendale	7/10/2018	Safety & Security	Attacked in retaliation for grievance because he stopped a gang member from killing Ofc. Lizano and reported the incident	
37	Broad River	8/8/2018	Safety & Security Transfer	Transferred to Broad River; in a unit with only gang members	
38	Kirkland	6/28/2018	Safety & Security	Doesn't have many options to feel safe; been to several different Protective Custody Reviews; Level III institutions have gang members and they will stab or beat inmates to death	"All I want is a place to do my time w/out having to worry all the time about these out of hand gang member inmates"
39	Lee	6/10/2018	Safety & Security	Beaten by 5 gang members with a drop cord in Marion Unit; it was recorded on a cell phone and posted online	
40	McCormick	7/16/2018	Safety & Security	Has requested statewide P/C; worried about gang members being after him; inmates are talking about snatching keys and he doesn't feel safe	"I don't feel safe 'cause they have weapons in here. . . "
41	CGG	6/23/2018	Medical - Mental Health	Needs mental health services and semi-dependent on a wheelchair; caregiver made parole and since then had to discontinue meds, groups, etc.; made several requests for a new caregiver and no response; has to beg to be taken to the cafeteria and other places.	"I am in dire need of mental health services. . . "
